

Pastor Search Committee Report to the Church: 11/13/16

As we move forward in the process of identifying the person we believe is the Lord's choice for our next Senior Pastor, we have prepared a survey for the congregation. This was a recommendation we received during our meeting with a pastor search expert from the BGCO. The Pastor Search Committee will use the data from the survey to help us cast a vision of the future of Memorial and to aid us in preparing a profile of our church and its needs.

We hope that every member of the church will complete the survey. It is fairly short and will be completely anonymous. The easiest way to complete the survey will be online. You can access the survey by clicking on a link, which will be sent to you in the weekly email Monday. We will also include the link in this Pastor Search Committee Report, which will be available on the church website starting Monday.

You will be able to complete the survey online using your personal computer, tablet, or smart phone. We will also have a few paper copies of the survey available, but we strongly prefer you fill it out online. Paper copies will need to be turned into the church office.

The survey will be available beginning tomorrow and we will cut off taking the responses at the end of the month.
